

There's more! Our Lattice and Pergola lines can expand and complement your WRC sales programs.

Lattice

Our niche is quality. Our specialty is Western Red Cedar.

For over 17 years, our innovation and excellence in lattice manufacturing has set worldwide standards. It's been a family tradition. During that time we've integrated new designs and fabricating techniques to where Pacific Western Wood Works now offers over 200 different lattice panels. This includes our latest innovation: **glued & stapled panels.**

We have become the top name in WRC lattice throughout North America and overseas because of the quality of our products, our industry-leading ideas, and our commitment to our customers. These same traits will enable us to continue to be at the forefront of the industry well into the future.

Pergolas

Expanding living space into the outdoors - made easy. Introducing the new Pergola system from Pacific Western Wood Works.

Our renowned quality and craftsmanship have taken a creative turn with our Pergola line. It's durable... modular...and setting the new benchmark in the garden furniture industry for the 2000's. It's also versatile. Pacific Western Wood Works has designed this program to adapt to your specifications. Tell us what your customers want and we'll customize our kits to suit your market.

Pergolas are the affordable do-it-yourself product that unleashes creativity. The result? Beautiful, usable living space in the great outdoors of the backyard.

Pacific Western
WOOD WORKS

manufacturing

quality craftsmanship

personal service

 The possibilities are virtually endless.

You can't afford to disappoint your customers, that's why Pacific Western Wood Works is your clear choice in WRC products. We offer consistency and high quality, backed by family pride. We're easy to deal with and responsive to your specific needs. **Tell us what you want and we'll do everything possible to make it happen.**

WRC Boards

Another excellent product line introduced since the installation of our moulder. Available in Clear and Specialty Fencing grades, from 1" x 1" to 1" x 6".

- Shorts
- Random lengths
- Dog eared (pickets)
- Nailor strips
- Roof/tile batton

Lath

Our manufacturing proficiency is obvious in our quality WRC and Whitewood lath. Available for all uses in various lengths from 2' - 8' in Clear and Tight Knot (STK) and three thicknesses. They can even be custom bundled & bar-coded.

WRC Mouldings

For years now, we've applied our lattice experience to making mouldings. They're available in many finished sizes, assembled to our lattice or in custom patterns.

Your clear choice for WRC.

Dimensional Lumber

CLR's, through to ECONOMY grades.

- CLR
- STD & BTR N/H
- Commons
- Pallet stock
- Random lengths & shorts

WRC Balusters

All lengths. Specialty trimming & end trimming.

- Mitred & Mitred Blunt Tip
- Precision End Trim (PET)
- Double End Trim (DET)

Laminating

Our clamp carrier and new glues give us great efficiencies and open up the possibilities for you.

- Production runs
- Custom orders

Custom

Do you have custom WRC processing needs? Then ask us first - no matter what the volume. Our flexibility means small runs are more easily achieved with us, if timing and set-ups allow.

Finishes:

a) **ROUGHER HEADED**

b) **S4S**

c) **STRIATED**
